

# Festive Tree Hunt

There are Festive Trees all over Sandwich!

How many can you find?

You can keep track by marking the places that you see trees on the map. Don't forget to look in shop windows and hidden corners.

**Some trees need your help to decorate them. If you find a tree with a bow on the top and a SiB sign then that tree needs your help!**

Hang your decoration on the tree, but be sure that the colour of your decoration matches the colour of the bow on the top. Any Christmas or winter design will cheer our trees up!

We will take photos of these trees & put them on Facebook, see if you can spot your decoration.

Here are some clues to help you on your quest

**I am by a red telephone box but I have a blue bow, please decorate me in blue**

**I am in a place with no name. I have a purple bow, please decorate me in purple**

**There are dancing goats near me. I have a gold bow, please decorate me in gold**

**I am next to an Ark. I have a silver bow, please decorate me in silver**
